TRAINING & PLACEMENT CELL

The Training and Placement Cell plays a crucial role in locating job opportunities for undergraduates and postgraduates passing out from the college by keeping in touch with reputed firms and industrial establishments. The placement cell organizes career guidance programmes for all the students starting from first year. The cell arranges training programmes like mock interviews, group discussions, communication skills workshops, etc. It also organizes public sector exam training for students who are interested in joining government sectors. To accomplish these objectives, the Training and Placement Cell has been constituted.
